

How to Download Images from Google Drive

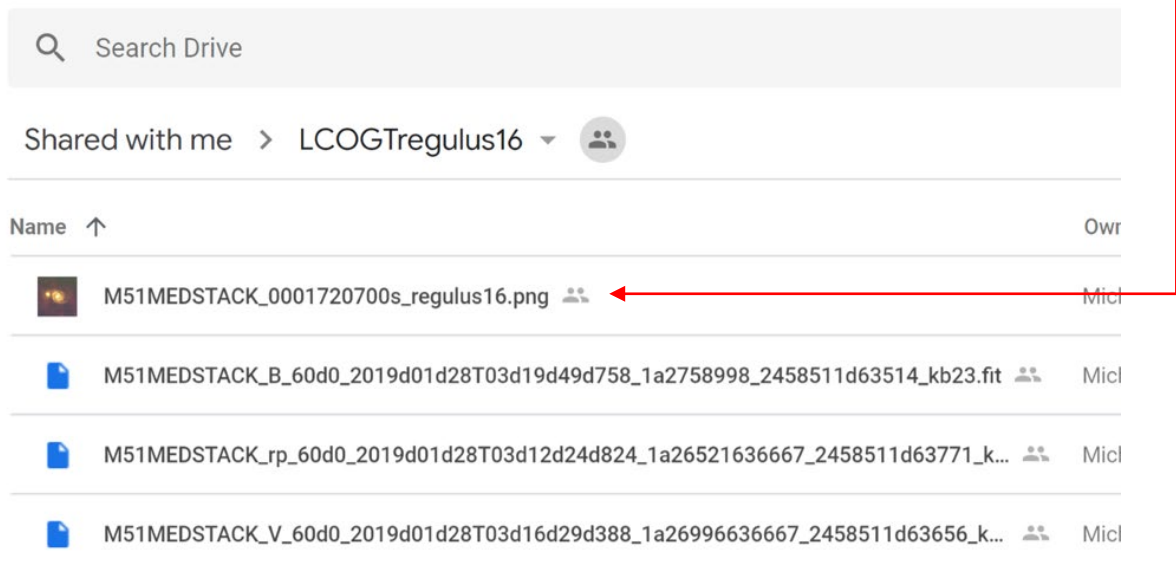

Download Image

1. Depending on scheduling priorities, your requested image can take as little as 24 hours or up to 10 days to process. Once your image has processed, you will receive an Email notification from LCO.
2. In addition, you will also receive an Email notification from Michael Fitzgerald advising you that your images are located on Google Drive.
3. Click on the Link (Yours will look different).

4. Your Google Drive contents include stacked FITS files in Blue (B), Red (rp), Green (V) and a color PNG file.
5. Click on the PNG File to view and/or Download
